

This program of self-study is designed to provide the knowledge, skills and confidence needed by a childbirth educator to teach women about birth. The program includes a study guide. All students must complete the individualized activities and seminar to receive a certificate of program completion. After completion of our program you can register to take the Lamaze Childbirth Certification Exam. The National Commission for Certifying Agencies (NCCA), the accrediting body of the National Organization for Competency Assurance (NOCA) has accredited the Lamaze International Certification Program. The Lamaze Certification Program is the only childbirth educator program that is accredited by NCCA.

Lamaze International has approved this seminar for 20 contact hours. Lamaze International is an approved provider of continuing education in nursing by VNA (Provider number 04-09-08) which is accredited as an approver of continuing education by the American Credentialing Center's Commission on Accreditation. Lamaze International is a provider approved by the California Board of Registered Nursing, (Provider Number 9989) for contact hours.

For program specifics contact Michele Ondeck at 412-641-1141 or mondeck@magee.edu

Lamaze Childbirth Program Competencies

1. Promotes the childbearing experience as a normal, natural, and healthy process, which profoundly affects women and their families.
2. Assists women and their families to discover and to use strategies to facilitate normal natural and healthy pregnancy, birth, breastfeeding, and early parenting.
3. Helps women and their families to understand how complications and intervention influence the normal course of pregnancy, birth, breastfeeding, and early postpartum.
4. Provides information and support that encourages attachment between babies and their families.
5. Assists women and their families to make informed decisions for childbearing.
6. Acts as an advocate to promote, support, and protect normal birth.
7. Designs, teaches, and evaluates a course in Lamaze preparation that increases a woman's confidence and ability to give birth.
