

The Journal of Perinatal Education

COPYRIGHT TRANSFER AND WARRANTY AGREEMENT

I(We), the undersigned, warrant that I(we) am(are) the sole author(s) and sole proprietor(s) of all rights, titles, and interests in and to the manuscript entitled

and submitted for publication in *The Journal of Perinatal Education*. I(We) hereby assign and transfer the copyright of this article exclusively to Lamaze International. I(We) reserve all proprietary rights, other than copyright, such as patent rights. I(We) reserve the right, after publication of the article in *The Journal of Perinatal Education*, to use all or part of the article in compilations or other publications of the author's own work, and to make copies of all or a part of the article for the author's use for teaching purposes, and I(we) will provide correct attribution showing that the article first appeared in *The Journal of Perinatal Education*.

I(We) further warrant that the manuscript, parts of the manuscript, and any research results have not been previously published or concurrently submitted to another publication; that the manuscript is accurate and original, except for material openly taken from other sources with permission and with proper references attributed to copyright holders; that the manuscript in no way infringes upon any personal or property rights of others, whether common law or statutory; that written permissions have been obtained from all copyright owners of any copyrighted material that has been used; that the manuscript contains no material that is libelous or otherwise contrary to law; that any financial or other conflict of interest has been identified in the manuscript; and that I(we) have full power to enter into this agreement.

If the article has been prepared by an employee within the scope of his or her employment, the employer reserves the right to make copies of the article for its own internal use.

I(We) agree to indemnify Lamaze International from any loss, expense, or damage arising out of any claim, demand, or suit that, if sustained, would constitute breach of the foregoing warranties.
